|  | <p><b>4.1 Description of first aid measures</b><br/><b>General advice</b><br/>Consult a physician. Show this safety data sheet to the doctor in attendance.</p> <p><b>If inhaled</b><br/>If breathed in, move person into fresh air. If not breathing, give artificial respiration.<br/>Consult a physician.</p> <p><b>In case of skin contact</b><br/>Wash off with soap and plenty of water. Consult a physician.</p> <p><b>In case of eye contact</b><br/>Rinse immediately with plenty of water for at least 15 minutes. Consult a physician.</p>  |   |  |           |                |               |                      |  |  |                     |                                       |      |                    |                       |  |

|           |  |
|-----------|--|
|           | <p><b><i>If swallowed</i></b><br/>Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.</p> <p><b>4.2 Most important symptoms and effects, both acute and delayed</b><br/>No data available.</p> <p><b>4.3 Indication of immediate medical attention and special treatment needed</b><br/>No data available</p>  |
| Section 5 | <b>Fire Fighting Measures</b>  |
|           | <p><b>5.1 Extinguishing media</b><br/><b><i>Suitable extinguishing media</i></b><br/>Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.<br/><b><i>Unsuitable extinguishing media</i></b><br/>No data available.</p> <p><b>5.2 Special hazards arising from the substance or mixture</b><br/>Nature of decomposition products unknown</p> <p><b>5.3 Precautions for fire-fighters</b><br/>Wear self contained breathing apparatus for fire fighting if necessary</p> <p><b>5.4 Further information</b><br/>No data available</p>  |
| Section 6 | <b>Accidental Release Measures</b>   |
|           | <p><b>6.1 Personal precautions, protective equipment and emergency procedures</b><br/>Wear respiratory protection. Avoid breathing vapours, mist or gas. Ensure adequate ventilation. Evacuate personnel to safe areas.</p> <p><b>6.2 Environmental precautions</b><br/>Prevent further leakage or spillage if safe to do so. Do not let product enter drains.</p> <p><b>6.3 Methods and materials for containment and cleaning up</b><br/>Soak up with inert absorbent material. Keep in suitable, closed containers for disposal.</p> <p><b>6.4 Reference to other sections</b><br/>For disposal see Section 13.</p>   |
| Section 7 | <b>Handling and Storage</b>  |
|           | <p><b>7.1 Precautions for safe handling</b><br/>Avoid contact with skin and eyes. Avoid inhalation of vapour or mist. Normal measures for preventive fire protection.</p> <p><b>7.2 Conditions for safe storage, including any incompatibilities</b><br/>Store in cool place. Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.<br/><b><i>Recommended Storage Temperature</i></b> : On receipt store between 2-8°C</p> <p><b>7.3 Specific end uses</b><br/>Apart from the uses mentioned in section 1.2 no other specific uses are stipulated.</p> |

|---|---|------------|--------------------------|-------|-------------------|-----------------|-------------------|----|-------------------|------------------------|-------------------|---|-------------------|-------------|-------------------|---------------------------|-------------------|-----------------|-------------------|------------------|-------------------|------------------|-------------------|--|-------------------|--------------------------|-------------------|-----------|-------------------|----------------------|-------------------|----------------------|-------------------|----------------|-------------------|-----------------------|-------------------|
| Section 8                               | <p><b>Exposure Controls / Personal Protection</b></p> <p><b>8.1 Control parameters</b><br/>Components with workplace control parameters</p> <p><b>8.2 Exposure controls</b><br/><i>Appropriate engineering controls</i><br/>Avoid contact with skin, eyes and clothing. Wash hands before breaks and immediately after handling the products.<br/><i>Personal protective equipment</i><br/><i>Hygiene measure</i><br/>Immediately change contaminated clothing. Apply preventive skin protection. Wash hands and face after working with the product.<br/><i>Eye/face protection</i><br/>Tightly fitting safety goggles; Faceshield (8-inch minimum). Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166 (EU).<br/><i>Skin protection</i><br/>Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands. The selected protective gloves have to satisfy the specifications of EU Directive 89/686/EEC and the standard EN 374 derived from it.<br/><i>Body protection</i><br/>Complete suit protecting against chemicals. The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.<br/><i>Respiratory protection</i><br/>Where risk assessment shows air-purifying respirators are appropriate use a full-face respirator with multi-purpose combination (US) or type ABEK (EN 14387) respirator cartridges as a backup to engineering controls. If the respirator is the sole means of protection, use a full-face supplied air respirator. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).<br/><i>Environment exposure controls</i><br/>Do not empty into drains.</p> |            |                          |       |                   |                 |                   |    |                   |                        |                   |   |                   |             |                   |                           |                   |                 |                   |                  |                   |                  |                   |  |                   |                          |                   |           |                   |                      |                   |                      |                   |                |                   |                       |                   |
